Patek Philippe Annual Calendar Ref. 5146G

2019-05-26

Patek Philippe Annual Calendar Ref. 5146G
Ref. 5146G is a 18K gold watch with a 39mm case diameter. It features a white dial with a calendar function, including day, date, and month indicators. The watch is powered by the Caliber 2405 movement, which is a self-winding mechanical movement with 30,000 vibrations per hour. The watch is presented in its original Patek Philippe presentation box.

Product Information

This watch is a fine example of Patek Philippe's craftsmanship. It features a 18K gold case and a white dial with a calendar function. The watch is powered by the Caliber 2405 movement, which is a self-winding mechanical movement with 30,000 vibrations per hour. The watch is presented in its original Patek Philippe presentation box. The watch is a fine example of Patek Philippe's craftsmanship. It features a 18K gold case and a white dial with a calendar function.
